From the Editor
In this edition of Iwaki Vision we introduce the countries that took part in the 2016 WBSC U-15 World Cup – Iwaki's first ever international sporting event – and look at some of the results. Also included in this edition are some major events that took place in Iwaki's sister city of Townsville: the T150 Pacific Forum & Festival and the Townsville Running Festival – with Iwaki representatives taking part. Finally, we continue our series looking at Iwaki's recovery 5 years after the Great East Japan Earthquake by visiting Hisanohama in northern Iwaki.

Iwaki Vision is produced by the Tourism Exchange Division of Iwaki City Hall.

I have now been in Iwaki for just over a year at the time of publishing this edition. During that time I have been able to see so many wonderful and unique features of Iwaki and witness the city's transformation as it progresses towards an even brighter future. I look forward to discovering more of Iwaki's hidden charms during my second year here.
