

# Iwaki City Rubbish Sorting App Now Available!

Iwaki City is offering a mobile app called “threeR” (Reduce, Reuse, Recycle). “three R” is a convenient way for you to find out how to sort rubbish and confirm pick-up dates. So why not make use of this handy app which can be downloaded to your smartphone or tablet device for free.

\* Mobile data fees may apply to your device.

## Main Features

### ○ Waste collection calendar:

- After setting your residential district, you can view a **calendar which lists the dates for each type of garbage collection**. There is an alarm function which alerts you for any collection days.

### ○ Reminders for putting out waste:

- You can adjust the time settings to receive an **alarm reminding you when you need to take out rubbish that is being collected**. This can be set according to each waste category.

### ○ Waste sorting search:

- To **find out how to sort and put out** a particular item, you can look it up through this complete list of every single household item and waste item.

### ○ Information:

- You can also choose to **receive notices from the Iwaki City** including if your area's scheduled **paper and cardboard waste collection will go ahead or will be cancelled**. Turning on this function **allows you to receive notices automatically** even if you're not using the app.

### ○ Multilingual:

- This app also has **English, Chinese and Korean** language settings. (Note that some features of this app are only available in Japanese).
